

Capture Your Occasion: Event Photography & Film

Our Journey in Event Photography and Videography

With over 20 years in the event photography and video industry, the Raj Photo Video team has masterfully refined our expertise in capturing life's remarkable moments.

In addition to weddings, we specialize in a documentary-style approach in capturing key occasions. Our commitment extends beyond just delivering superb media.

We pride ourselves on providing exceptional customer service, attentively accommodating your specific needs and preferences. Your satisfaction is our topmost priority.

In essence, we blend years of experience, specialist skills, and dedicated customer service to create timeless keepsakes you'll cherish forever.

Packages start at \$900 to fit your needs and budget, recommended options for general banquet events.
